Former CTE students in their 20s and 30s were recognized as the Commonwealth's brightest *Career Success Stars*. The individual success stories are featured as video profiles on the VDOE website highlighting how CTE programs provide skills for career success.

Individuals were selected to represent each of the [16 career clusters](#) and 79 related pathways. These videos are posted on the individual career cluster webpages. Also, there are featured stories representing an entrepreneur, active military personnel, and an intern which are posted on the CTE homepage.
