

COMMONWEALTH of VIRGINIA  
Department of Education

**DATE:** May 4, 2018  
**TO:** Division Superintendents  
**FROM:** Steven M. Constantino, Ed.D., Acting Superintendent of Public Instruction  
**SUBJECT:** **Revision No. 2 - *Individuals with Disabilities Education Act (IDEA)*, P.L. 115-31, 2017-2018 Part B, Section 611, Subgrant Awards for Special Education**

Reference is made to Superintendent's Memorandum No. 214-17 (July 21, 2017) that provided notice of the 2017-2018 *Individuals with Disabilities Education Act (IDEA)* Part B (Sections 611 and 619) federal allocations for school divisions and state-operated programs (SOPs) that have submitted an approvable 2017-2018 annual plan.

A subsequent Superintendent's Memorandum No. 302-17 (October 20, 2017) was sent to school divisions and state-operated programs after the Virginia Department of Education (VDOE) received notice that, as part of a short-term continuing resolution (CR) passed by Congress, state allocations for 2017-2018 under Part B, Section 611 funds (special education flow-through) were reduced by an overall 0.55 percent. Virginia's total grant award allocation was reduced by 0.492 percent.

On April 16, 2018, the VDOE received a supplemental award notification restoring funding of 0.484 percent to the federal fiscal year (FFY) 2017 Part B grants to states award previously reduced by the CR.

The VDOE has applied the increase in funding proportionately (formula-driven calculation) to school divisions (LEAs) and SOPs. The revised subgrant award amounts are attached. All other terms and conditions contained in Superintendent's Memorandum No. 214-17 remain in effect. Part B, Section 619 funds (special education preschool) were not affected by the above-referenced congressional action.

The attached increase will appear in the Department of Education's Online Management of Education Grant Awards (OMEGA) system made available through the reimbursement process to school divisions and SOPs. Award recipients will need to submit budget amendments in OMEGA to allocate the restored funds. Any questions should be directed to Tracie L.
