

Are you having trouble finding and retaining work-ready employees?

If you answered yes, consider partnering with your local adult education providers to solve your talent needs!

Adult education providers can help you strengthen your business by delivering in-house, customized, low-cost training based on your needs:

- Improve employees' English language proficiency and academic skills specific to their job
- Provide digital skill building and work readiness skills
- Support occupational training and credential attainment

Connect with your local adult education program:

[Adult Education Regional Programs](#)
[Virginia Department of Education](#)

Our participants are

- **Workers**, more than 50 percent report being employed when they enroll
- **Lifelong learners**, enrolling in postsecondary education and training during and after leaving the program
- **Work-ready**, equipped with valuable workplace preparation skills such as critical thinking, digital literacy, self-management, and employability skills
- **The workforce of today**, gaining additional skills and credentials to put to use immediately

Our instructors are

Experienced, dedicated, and trained, offering flexible instruction to help adults meet their goals.

Our partners include

- Regional workforce development boards and operators of the Virginia Career Works Centers
- State partners such as the Virginia Department of Workforce Development and Advancement, the Virginia Community College System, the Department for Aging and Rehabilitative Services, the Department for the Blind and Visually Impaired, the Virginia Employment Commission, and the Department of Social Services
- Community non-profit service organizations such as Goodwill Industries, the United Way, and local literacy volunteer chapters
- Local employers and job recruiters
