

COMMONWEALTH of VIRGINIA
Department of Education

DATE: June 29, 2018
TO: Division Superintendents
FROM: James F. Lane, Superintendent of Public Instruction
SUBJECT: **2018-2019 Academy for New Special Education Directors**

The Virginia Department of Education (VDOE) would like to extend an invitation to any newly hired local Directors of Special Education to the Academy for New Special Education Directors. The yearlong Academy will include four two-day workshops in Richmond. The first workshop is scheduled for September 11-12, 2018. The September workshop will provide an orientation to the Division of Special Education and Student Services at VDOE, as well as critical technical assistance resources for results driven accountability and other regulatory information. The additional workshops will address relevant topics in-depth for new directors. The schedule and location for the workshops will be disseminated to the Academy participants in August. Each new director will be assigned a veteran Special Education Director as a mentor. A new Special Education Director is defined as one who is new to the position and has not been a Special Education Director in another location or was new after last year's Academy.

If your school division has employed a new Special Education Director, please provide the individual's name, position/title, mailing address, telephone number, and email address so that an invitation to the Academy may be extended. This information should be provided to Dr. Pat Abrams, Director, Office of Special Education Instructional Services, and if you have additional questions, contact Dr. Abrams at (804) 225-2707 or via email at Pat.Abrams@doe.virginia.gov ✉.
