The columns above:

Fall 2023 Course Level of Enrollment—represents the course in which the student is enrolled in fall 2023.

Course Level Content Assessed*—represents the highest course level the student completed in 2022-2023.

Fall 2023 Online Test Assignments in PearsonAccess^{next}—represents the online test assignment applied to the student in PearsonAccess^{next}.

*Accelerated students are to be administered the growth assessment that matches the Course Level Content Assessed in 2022-2023.

For example, a 4th grade student in 2022-2023 was accelerated in mathematics and completed a 5th grade mathematics class in spring 2023. The student, now a 5th grader in fall 2023, will take the **online** Fall 2023 Growth Assessment that matches the 5th grade mathematics course completed in spring 2023, or the **online** Fall 2023 Grade 6 Mathematics CAT Growth Assessment.

NOTE: Students in End-of-Course Mathematics courses will not take the Fall 2023 Growth Assessments.
