The columns above:

Fall 2023 Course Level of Enrollment—represents the course in which the student is enrolled in fall 2023.

Course Level Content Assessed*—represents the highest course level the student completed in 2022-2023.

Fall 2023 Paper Test Assignment in PearsonAccess^{next}—represents the paper test assignment applied to the student in PearsonAccess^{next}.

Fall 2023 Paper Test Booklets and Answer Documents to Order—represents the name of the test and associated answer document that should be ordered for the student.

*Accelerated students are to be administered the growth assessment that matches the Course Level Content Assessed in 2022-2023.

For example, a 4th grade student in 2022-2023 was accelerated in mathematics and completed a 5th grade mathematics class in spring 2023. The student, now a 5th grader in fall 2023, will take the **paper** Fall 2023 Growth Assessment that matches the 5th grade instruction completed in spring 2023.

NOTE: Students in End-of-Course Mathematics courses will not take the Fall 2023 Growth Assessments.
