**SUBJECT: Virtual Virginia Full-time Pilot Program**

This fall, Virtual Virginia, the supplemental online program provided by the Virginia Department of Education, will pilot a full-time online high school option. This pilot program will host students in grades 9-12 and include core curriculum in addition to Virtual Virginia's current offerings in World Languages, Advanced Placement, and elective courses. Limited space is available on a first-come, first-served basis. Standard courses are tuition-free; students must enroll via local public schools.

An informational webinar will be held on Tuesday, June 9, 2015, at 10 am. To register for the webinar, please email Debbie Staughton at [debbie.staughton@doe.virginia.gov](mailto:debbie.staughton@doe.virginia.gov).
