

Readiness Component: Year 1 vs. Year 2

Individual Measure	Year 1 (Fall 2025, using 2024-2025 data)	Year 2 (Fall 2026, using 2025-2026 data)	Additional Information
Chronic Absenteeism	Yes	Yes	Chronic absenteeism is a current measure in the accreditation and accountability systems. Divisions have also received support to address chronic absenteeism through ALL In VA.
5 th Grade 5 C's Performance Task	No	Yes	This measure will provide a new lens on student readiness in elementary school as it will focus on the 5 C's. USED indicated that Virginia will need to provide Virginia-specific data on the performance task. Virginia will pilot and report the results of the performance task for Year 1 and then submit an amendment to include the performance task in Year 2.
Advanced Math Coursework in Middle School	Yes	Yes	Schools and divisions are already supporting advanced math coursework. 96% of middle schools (438/455) had at least one student passing an EOC math course in 8th grade.
Advanced Science and History/Social Science Coursework in Middle School	No	Yes	By including this measure in year 2 of the framework, divisions and schools will have a year to determine how they can best support students who are ready for advanced science or history/social science coursework. <i>Note: This measure will merge with the Advanced Math Coursework to be one measure.</i>
8 th Grade Career Exploration and 5 C's Performance Task	No	Yes	This measure will provide a new lens on student readiness in middle school as it will focus on career exploration and the 5 C's. Similar with the 5 th grade performance task, USED indicated that Virginia would need to provide Virginia-specific data on the performance task. Virginia will pilot and report the results of the performance task for Year 1 and then submit an amendment to include the performance task in Year 2.
6-year Extended Year Graduation Rate with Applied Studies	Yes	Yes	Data on extended year graduation rates is collected by VDOE and this measure would include an important group of students that should be recognized for their work, students who earn an Applied Studies Diploma.
Ready for Life: 3 E's Framework	Yes	Yes	VDOE is working with a group of divisions to collect data for the 3 E framework.
