FROM: Patricia I. Wright, Superintendent of Public Instruction

**SUBJECT: 30th Annual Youth Alcohol and Drug Abuse Prevention Project (YADAPP)
Summer Leadership Conference**

The 30th Annual Youth Alcohol and Drug Abuse Prevention Project (YADAPP) Summer Leadership Conference will be July 14-18, 2014, at Longwood University. YADAPP is a team-based summer leadership conference empowering teens to keep their schools and communities alcohol and drug free. Student leaders meet, connect and bond in a week full of fun activities and leadership training.

The Strategies to Act Now (STAN) Plan is the focal point of YADAPP. Students are expected to learn from the topical workshops, forums and speakers, and develop action plans that promote substance abuse prevention efforts within their own schools and/or communities. At the end of the conference, many of the teams are selected to receive Mini-grants from the [Wheeler Award](#) to help with the implementation of their STAN Plans.

High schools are encouraged to send a team of four students and one adult. The registration fee for each team is \$300. Teams must register and pay for the conference by June 15, 2014. Conference information and registration forms may be found at www.YADAPP.com.
