

COMMONWEALTH of VIRGINIA
Department of Education

October 17, 2014

TO: Division Superintendents

FROM: Steven R. Staples, Superintendent of Public Instruction

SUBJECT: 2014 Fall Master Schedule Collection: 1) Secondary Enrollment Demographics Form (SEDF) Data; 2) Instructional Personnel Verification of Licensure Endorsement Report; 3) Instructional Personnel Survey Data Report; and 4) Supply and Demand Report

DUE: Successful Submission Due December 5, 2014; Verification Reports Due January 30, 2015

In order to comply with the reporting requirements of Indicators (b)(1), (b)(2), and (b)(3) of the State Fiscal Stabilization Fund (SFSF) Assurances, the *No Child Left Behind Act of 2001* (Public Law 107-110), and *Title II of the Higher Education Act* (HEA), school divisions are required to submit data for the Fall Master Schedule Collection (MSC) that includes the following:

1. Secondary Enrollment Demographics Form (SEDF);
2. Instructional Personnel and Verification of Licensure Endorsement Report;
3. Instructional Personnel Survey Data Report; and
4. Supply and Demand Report.

The Fall MSC will include course-level data by student and teacher for all students in grades K-12. This data should reflect course information for all classes that are being taught or will be taught during the 2014-2015 school year.

For the second year the Secondary Enrollment Demographics Form (SEDF) data will be collected through MSC. Data collected on the SEDF are used to generate the number of Career and Technical Education (CTE) positions recognized for funding under the Standards of Quality (SOQ), based on the current SOQ funding methodology recognized by the General Assembly.

In order for the Virginia Department of Education (VDOE) to comply with the SFSF Assurances, the *No Child Left Behind Act of 2001* (Public Law 107-110), and *Title II of the Higher Education Act* (HEA), it is important that all school divisions have a successful submission of the Fall Master Schedule Collection and Instructional Personnel and Verification of Licensure Endorsement Report **no later than December 5, 2014**. A final submission and verification reports, signed by the division superintendent, must be submitted by **January 30, 2015**. Early submission is strongly encouraged. The FALL MSC opened for data submissions on October 15, 2014.

A detailed listing of the [data elements](#) on the Fall MSC-IPAL is available on the Virginia Department of Education's Web site.

Questions relating to the 2014 Fall MSC-IPAL should be directed to Educational Applications by e-mail at RESULTSHELP@doe.virginia.gov or telephone at (804) 225-2099.

The VDOE staff member responsible for each of the four specific content areas within the FALL MSC is provided, along with the staff member's contact information. If you have questions regarding any of this content, please contact the appropriate staff member.

1. Secondary Enrollment Demographics Form (SEDF) Data

The Secondary Enrollment Demographics Form (SEDF) data, collected by Career and Technical Education (CTE), will be reported through the MSC. SEDF data are used to determine the Standards of Quality (SOQ) add-on funding for career and technical education, calculation of Nontraditional Career Preparation Enrollment for federal, state and local accountability reporting, and CTE state equipment allocation. As a result, several elements are included to collect the required information. The final summary reports will still be available through the SEDF application in the Single Sign-on for Web Systems (SSWS) portal, but data collection will be completed exclusively through the MSC.

Questions regarding the CTE Secondary Enrollment Demographics Form should be directed to George Willcox, coordinator of planning, administration and accountability, Office of Career and Technical Education, by e-mail at cte@doe.virginia.gov or telephone at (804) 225-2052.

Questions regarding career and technical education SOQ add-on funding should be directed to the Budget Office by e-mail at doebudgetoffice@doe.virginia.gov or telephone at (804) 225-2025.

2. Instructional Personnel Verification of Licensure Endorsement Report

The Instructional Personnel of Licensure Endorsement Report should reflect a "snapshot" of your school division's personnel as of October 1, 2014. Please remember that data corrections will not be available in the Instructional Personnel of Licensure Endorsement Report application. Data corrections must be made at the source of the data and resubmitted through the MSC and Instructional Personnel of Licensure Endorsement Report applications.

You must report all school-level instructional personnel, including substitute teachers when no teacher of record is assigned. In addition, please note that preK teachers must be entered in MSC for any class with preK students.

All requests for licenses should have been submitted to the Division of Teacher Education and Licensure to ensure that all instructional personnel are properly licensed as required by Section 22.1-299 of the *Code of Virginia*. The Fall MSC identifies verified credit courses for high school graduation. The teacher of record for these courses must hold a Virginia license with the appropriate content endorsement. If you have questions or need assistance with the licensing of your employees, please contact personnel in the Division of Teacher Education and Licensure.

In addition, the Office of Special Education Instructional Services requests that all Special Education student-teacher linkages be reported on the Fall MSC-IPAL, including those where special education resource teachers are supporting content area teachers in a classroom. Questions regarding teachers of students with disabilities and their students should be directed to Dr. Pat Abrams, director, Special Education Instructional Services, via e-mail at Pat.Abrams@doe.virginia.gov or telephone at (804) 225-2923.

Questions regarding licensure should be directed to Dr. Mark Allan, director, Licensure and School Leadership, by e-mail at Mark.Allan@doe.virginia.gov or telephone at (804) 371-2471.

3. Instructional Personnel Survey Data Report

The Instructional Personnel Survey Data Report includes six subsections. The Virginia Department of Education staff member responsible for each of these subsections is provided, along with the staff member's contact information. If you have questions regarding any of these components of the Instructional Personnel Survey Data Report, please contact the appropriate staff member.

- i. Central Office Personnel – Allison Young, educational data specialist, Allison.Young@doe.virginia.gov, (804) 225-3909
- ii. Support Staff – Allison Young, educational data specialist, Allison.Young@doe.virginia.gov, (804) 225-3909
- iii. School Level Title I Paraprofessionals – Mark R. Allan, director, Licensure and School Leadership, Mark.Allan@doe.virginia.gov, (804) 371-2471.
- iv. Special Education Personnel – Angela Phenicie, data manager, Angela.Phenicie@doe.virginia.gov, spedprogramdata@doe.virginia.gov, (804) 371-7582
- v. Special Education Paraprofessionals – Angela Phenicie, data manager, Angela.Phenicie@doe.virginia.gov, spedprogramdata@doe.virginia.gov, (804) 371-7582
- vi. Division Level Paraprofessionals – Allison Young, educational data specialist, Allison.Young@doe.virginia.gov, (804) 225-3909

4. Supply and Demand Report

The Virginia Statute and federal requirements call for the Virginia Department of Education to report annually on the critical teaching shortage areas in Virginia. This data is collected through the Supply and Demand Report. Questions regarding the Supply and Demand Report should be directed to Mrs. Patty S. Pitts, assistant superintendent for teacher education and licensure, by e-mail at Patty.Pitts@doe.virginia.gov or telephone at (804) 371-2522.
