FROM: Patricia I. Wright, Superintendent of Public Instruction

**SUBJECT: 2013 Fall Master Schedule Collection: 1) Secondary Enrollment Demographics Form (SEDF) Data; 2) Instructional Personnel Verification of Licensure Endorsement Report; 3) Instructional Personnel Survey Data Report; and 4) Supply and Demand Report**

**DUE: Successful Submission Due December 6, 2013; Verification Reports Due January 31, 2014**

In order to comply with the reporting requirements of Indicators (b)(1), (b)(2), and (b)(3) of the State Fiscal Stabilization Fund (SFSF) Assurances, the *No Child Left Behind Act of 2001* (Public Law 107-110), and *Title II of the Higher Education Act* (HEA), school divisions are required to submit data for the Fall Master Schedule Collection (MSC) that includes the following:

1. Secondary Enrollment Demographics Form (SEDF);
2. Instructional Personnel and Verification of Licensure Endorsement Report;
3. Instructional Personnel Survey Data Report; and
4. Supply and Demand Report.

The Fall MSC will include course-level data by student and teacher for all students in grades K-12. This data should reflect course information for all classes that are being taught or will be taught during the 2013-2014 school year.

This year the Secondary Enrollment Demographics Form (SEDF) data will be collected through MSC. Data collected on the SEDF are used to generate the number of Career and Technical Education (CTE) positions recognized for funding under the Standards of Quality, based on the current SOQ funding methodology recognized by the General Assembly.

In order for VDOE to comply with the SFSF Assurances, the *No Child Left Behind Act of 2001* (Public Law 107-110), and *Title II of the Higher Education Act* (HEA), it is important that all school divisions have a successful submission of the Fall Master Schedule Collection and Instruction Personnel and Verification of Licensure Endorsement Report **no later than December 6, 2013**. A final submission and verification reports, signed by the division superintendent, must be submitted by **January 31, 2014**. Early submission is strongly encouraged. The FALL MSC opens for data submissions on October 15, 2013.

A detailed listing of the [data elements](#) on the Fall MSC-IPAL is available on the Virginia Department of Education's Web site.

### **1. Secondary Enrollment Demographics Form (SEDF) Data**

Beginning 2013-2014, the Secondary Enrollment Demographics Form (SEDF) data, collected by Career and Technical Education (CTE), will be reported through the MSC. SEDF data are used to determine the Standards of Quality (SOQ) add-on funding for career and technical education. As a result, several elements have been added to collect the required information. The final summary reports will still be available through the SEDF application in the Single Sign-on for Web Systems (SSWS) portal, but data collection will be completed exclusively through the MSC.

Questions regarding the CTE Secondary Enrollment Demographics Form should be directed to George Willcox, coordinator of planning, administration and accountability, Office of Career and Technical Education, by e-mail at [cte@doe.virginia.gov](mailto:cte@doe.virginia.gov) or telephone at (804) 225-2052.

Questions regarding career and technical education SOQ add-on funding should be directed to the Budget Office by e-mail at [doebudgetoffice@doe.virginia.gov](mailto:doebudgetoffice@doe.virginia.gov) or telephone at (804) 225-2025.

### **2. Instructional Personnel Verification of Licensure Endorsement Report**

Please remember that data corrections will not be available in the Instructional Personnel of Licensure Endorsement Report application. Data corrections must be made at the source of the data and resubmitted through the MSC and Instructional Personnel of Licensure Endorsement Report applications.

All requests for licenses should have been submitted to the Division of Teacher Education and Licensure to ensure that all instructional personnel are properly licensed as required by Section 22.1-299 of the *Code of Virginia*. The Fall MSC identifies verified credit courses for high school graduation. The teacher of record for these courses must hold a Virginia license with the appropriate content endorsement. If you have questions or need assistance with the licensing of your employees, please contact personnel in the Division of Teacher Education and Licensure.
