SUBJECT: Nominations for the 2014 Virginia Modified Achievement Standards Test (VMAST) Mathematics Item Review Committees

The Office of Test Administration, Scoring, and Reporting is accepting nominations for the 2014 VMAST Mathematics Item Review Committees. The VMAST is an alternate assessment designed for students with disabilities who are instructed in grade level content, but are not likely to achieve proficiency in the same time frame as their nondisabled peers. The VMAST provides eligible students with disabilities access to online assessments in mathematics that include research-based supports and simplifications identified by Virginia educators.

The purpose of the committees is to review mathematics items proposed for use in the spring 2014 administration. Approximately 12 members will be selected to serve on each of the four committees.

The committee meetings will be conducted on January 14, 2014, at the Hilton Richmond Hotel located at 12042 West Broad Street, Richmond, Virginia 23233 as follows:

- VMAST Grades 3-4 Mathematics
- VMAST Grades 5-6 Mathematics
- VMAST Grades 7-8 Mathematics
- VMAST Algebra I

Committee members will be chosen based on the following criteria:

- grade-level experience(s) and mathematics content-area expertise;
- in-depth knowledge of the *Mathematics Standards of Learning* (SOL);
- instructional/supervisory experience with students who have disabilities; and
- balanced regional representation.

Members selected for the 2014 VMAST Mathematics Item Review Committees will be expected to:

- sign a Non-disclosure/Conflict of Interest Agreement; and
- review supports and simplifications for content and grade-level appropriateness.

Committee members will be provided the following:

- reimbursement for meals and travel expenses in accordance with state travel policy and guidelines;
- lodging; and
- attendance certificate for recertification points (pending local approval).

School divisions will be reimbursed for substitute teacher pay at a rate of \$75 per day.

All nominees must submit an application through the Web-based Assessment Committee Application Processing System (ACAPS). The Web-based application process requires a professional reference and division-level approval. Procedures for submitting the application are available at <https://p1pe.doe.virginia.gov/acaps/>.
