

#086-22

**Commonwealth of Virginia
Virginia Department of Education
Superintendent's Memo #086-22**

DATE: April 22, 2022
TO: Division Superintendents
FROM: Jillian Balow, Superintendent of Public Instruction
SUBJECT: **Computer Science Summer Professional Development Opportunity**

In partnership with the Virginia Department of Education, CodeVA will provide free summer Professional Development to all Virginia public school teachers from June 2022-July 2022. The professional development is designed to expand teachers' computer science knowledge and efficacy to support computer science instruction in the classroom.

Professional development will be provided in either a multi-day, single day, modular, or on-demand format. For a complete listing of summer professional development opportunities, please visit [CodeVA Professional Learning website](#).
