**Commonwealth of Virginia  
Virginia Department of Education  
Superintendent's Memo #127-22**

DATE: June 17, 2022  
TO: Division Superintendents  
FROM: Jillian Balow, Superintendent of Public Instruction  
SUBJECT: **Standardized High School Parking Application**

The *Code of Virginia* [§ 22.1-205.1](#) requires any public high school student who applies to park a vehicle on school property to provide evidence that the student possesses a valid driver's license or driver privilege card. It also requires that each public school utilize a standard application form, developed by the Department of Education, for students to use to obtain a pass to park a vehicle on school property. The Virginia Department of Education has developed a [standard application form](#) for use by school divisions beginning July 1, 2022.
